Comment.

This unit is probably an

artillery unit which is stationed in Kiskoeroes-Keczel.

25X1

Comment. The unit is probably located in Baja.

Comment. The report confirms that numbers of the 1928 through 1930 classes were in active service during this summer. The majority of the members of the 1928 were inducted in 1949, whereas contingents of the 1929 and 1930 classes commenced active service in the fall of 1950.
